

## ALLEGRO PHARMACHEM EQUIPMENTS

### Work Bench

#### Description:

- Material Of Construction – Grade SS 304 (completely)
- Suitable for cleanroom, process laboratories, production office, QC Labs
- Top sheet with stiffener on bottom to give sturdiness & strength
- “I” shaped frame bottom for improved strength and space for leg room when seating
- Three drawers with individual locks placed on right hand side
- Free standing with Nylon Bush

#### Features & Benefits:

- Can be used as a centre table or pushed up against other tables to create benching
- No under shelf to give sufficient legroom when sitting.
- Optionally with under shelf for extra storage underneath
- Optionally with upstand – a protective edge at the rear of the table to prevent items falling from the table or to prevent scuffing if pushed up against wall
- Optionally with cabinets for CPU, key board tray
- Choose from standard sizes or contact us for tailor-made requirements
